## PERFORMANCE AIR WEBSITE PRIVACY POLICY

### PRIVACY POLICY.

1. Gathered Data
2. Responsibility
3. Treatment Purposes
4. Communication
5. Legal Basis and Retention
6. Users' Rights

#### 1. Gathered Data

Mere navigation. By the mere fact of visiting and browsing this website (the "Website") of PERFORMANCE AIR SAPI DE C.V. ("PERFORMANCE AIR"), no nominatively data from our users ("Users") is automatically registered. However, there is certain information that is gathered and remains recorded in PERFORMANCE AIR systems (e.g. Internet browser type, operating system, address IP from which the web pages are accessed) with the intention of improving the User's navigation and Web management. Likewise, the Web may use cookies and similar technologies whose use is subject to consent of the Users in accordance with the Cookies Policy.

Access to content or services in which data is requested. Through the channels enabled for it in the Website and to give you access to certain information or to use certain content or services of the Web, PERFORMANCE AIR may require from the User certain personal data — which they may include, mainly, name, surname, email, company, position and professional contact information.

#### 2. Responsibility

PERFORMANCE AIR, with the address Antonio Dovali Jaime #75 PB Lomas de Sana Fe, Ciudad de México, CP:01219 (Mexico), is responsible for the processing of the data it collects to provide the services the Users can access through the Website.

#### 3. Treatment Purposes

In addition to managing requests for information, content or services that are expressly requested by the Users, PERFORMANCE AIR has a legitimate interest to use the information collected or generated for: the improvement of the Web, its management and its security, carry out studies to analyze the relevance and use of the Web and, when so permitted by applicable regulations, to inform Users, with their previous consent, regarding commercial news.

#### 4. Communication

The data will not be communicated to third parties except, when appropriate, to competent authorities in the exercise of their functions, in which case the Users will be informed. As an exception, the Web will be able to use third parties' cookies in accordance with the Cookie Policy and the consent of the User.

#### 5. Legal Basis and Retention

The legal basis that allows PERFORMANCE AIR to manage the Users' data is access and voluntary Users' navigation through the Web, the Users' request for information or certain content or services through the channels enabled for this, compliance of legal obligations by PERFORMANCE AIR, the legitimate interest in improving the Web and its security, as well as in carrying out studies and analysis on the operation and use of the Web and, in case a User consents or PERFORMANCE AIR has legitimate interest, the sending of information and commercial updates.

All data will be kept as long as there are contractual obligations derived from the services or requested contents by the Users and, subsequently, until the extinction of legal and contractual responsibilities that need being saved.

## 6. Users' Rights

The User can exercise their right of access, rectification, suppression opposition, limitation of treatment and portability when it corresponds, regarding the treatment of PERFORMANCE AIR by sending an e-mail to the professional designated as the Data Protection Officer to the e-mail address [protección@performance.com.mx](mailto:protección@performance.com.mx), providing your identity.
